# PROJECT RECAP

KEY CHALLENGES:

- During collection the custodian's usb ports were disabled per corporate IT policy
- Tight deadline with limited time to collect, process, and investigate data prior to review
- Data collected included unconventional data sources such as Slack, Monday.com, and Confluence

PROJECT SCOPE

- Remote Data Collection
- 1,310 GB of data
- 3,017,955 documents
- 16 custodians
 - Corporate & Personal Devices
